## **Fellowship Bible Church**

### **Purpose**

The Fellowship Bible Church internship program exists to provide opportunities for young adults who are at least a year out of high school to explore a call to local church ministry. It will provide experience and training for learning, leading, and maintaining long-term ministry in the local church. The internship program is a 12-week, 40-hour-per-week, paid opportunity.

### **General Objectives**

- Receive training and equipping for full-time, long-term church ministry.
- Receive training for a general understanding of theology and critical issues in ministry.
- Gain experience in full-time ministry in the local church.
- Have opportunities to plan and lead ministry initiatives and programming.
- Develop one's character and spiritual life in order to sustain long-term ministry in the local church.
- Receive coaching in feedback to grow as a leader and minister.
- Have the opportunity to assess one's calling to local church ministry.
- Have various opportunities and exposure to ministries beyond one's assigned area to understand church-wide ministry, team vs. silo ministry dynamics, unique needs of cross-cultural ministry, etc.
