Summer 2021 Ministry Launch

Aligned Series

The primary and ever-present content for discussion in community groups is found through daily devotion using the Bible Reading Plan. In community groups, great discussions are born from REAPing scripture (Read, Examine, Apply, Pray) and the weekend message.

Adult Learning Environment

What would it look like for your community group to commit to Thursday evenings for 6 weeks? Join us for our adult learning environment, “We Really Believe This”, Thursdays, June 17 - July 22, 6:30p - 8:30p. In this series, we’ll be going deeper into the Bible, the Godhead, Sin & Salvation, Sanctification, and the Church. This is a great supplement to the weekend series or even as a stand-alone learning opportunity for your group!
