Local Outreach Focus Activities

1. We help people find and follow Jesus Christ.
2. We engage in transformational, not toxic, ministry that helps develop leaders who are growing in healthy relationships with God, self, others and creation.

Local Outreach Standards in Partnering:

1. We align with each other's values.
2. If you are an organization, our own FBC folks are already involved.
3. When possible, we seek out partnerships with other churches in Topeka to meet community needs.
4. A new partnership would reach people we aren't yet reaching, with no duplication of activity.
5. We help develop leaders who are growing in healthy relationships with God, self, others and creation.

Bob will add global's focus activities and standards in partnering here
