

Worship Intern Role Description / Objectives

Fellowship Bible Church

Purpose

The Fellowship Bible Church internship program exists to provide opportunities for young adults who are at least a year out of high school to explore a call to local church ministry. It will provide experience and training for learning, leading, and maintaining long-term ministry in the local church. The internship program is a 10-week, 40-hour-per-week, paid opportunity.

General Objectives

- Receive training and equipping for full-time, long-term church ministry.
- Receive training for a general understanding of theology and critical issues in ministry.
- Gain experience in full-time ministry in the local church.
- Have opportunities to plan and lead ministry initiatives and programming.
- Develop one's character and spiritual life in order to sustain long-term ministry in the local church.
- Receive coaching in feedback to grow as a leader and minister.
- Have the opportunity to assess one's calling to local church ministry.
- Have various opportunities and exposure to ministries beyond one's assigned area to understand church-wide ministry, team vs. silo ministry dynamics etc.

General Components

- Biblical & Ministerial Training - Sunday nights, 6–8 PM
- Serve at Super Kids Super Kamp
- All-Staff Meetings - Tuesday mornings, 9–9:45 AM

Ministry-Specific Objectives

- Receive training and equipping for specific skills for Worship Arts Ministry in the local church.
- Examine and discuss key theological issues pertaining to Worship Arts Ministry in the local church.
- Gain experience in leading rehearsals and services with various age groups and teams.
- Gain experience in providing direction, encouragement, and administration of large teams.
- Develop competence as a worship ministry leader in the local church.

Ministry-Specific Projects/Initiatives to be led by Intern

- Various services throughout summer
- Be present each weekend of the summer from May 29 through August 1, 2021.
